The Honorable J. Dennis Hastert
Speaker of the United States House of Representatives
H-232, United States Capitol Building
Washington, D.C. 20515

Dear Speaker Hastert:

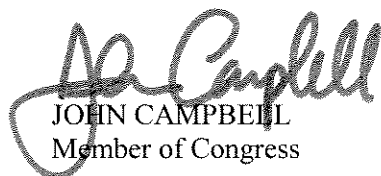

Recently, I distributed a survey to the constituents of California's 48th Congressional District to learn more about their views on the important issue of illegal immigration. More than 3,300 concerned citizens responded to the survey, and the results were very clear. The respondents are firm supporters of the enforcement first strategy and do not want amnesty proposals to pass Congress as part of the final immigration reform legislation.

You may find the specific results below. The survey consisted of three statements each requesting the respondent to check the appropriate box to signal agreement or disagreement.

- 1) I support a clean immigration reform bill that focuses on enforcement and border security.
Yes 94.6% No 5.4%
- 2) I oppose proposals to include amnesty as part of the final version of H.R. 4437.
Yes 90.9% No 9.1%
- 3) I support the Campbell Amendment to end the policy of sanctuary cities.
Yes 93.4% No 6.6%

As these results indicate, there is strong support for the enforcement first approach passed by the House in December. On behalf of the people of the 48th Congressional District, I request that you continue your strong leadership on this issue and guide the House in a direction which supports the principal of enforcement first.

I remain respectfully,

JOHN CAMPBELL
Member of Congress
